DETAILED ACTION

Information Disclosure Statement

The IDS filed 12/19/03 had been considered and placed of record. The initialed copy was sent in the previous Office Action.

Specification

The title of the invention is not descriptive. A new title is required that is clearly indicative of the invention to which the claims are directed.

The disclosure should be carefully reviewed to ensure that any and all grammatical, idiomatic, and spelling or other minor errors are corrected.

Election/Restrictions

Applicant's election of claims 1-6, 8 and 10-17 in the reply filed on 10/26/06 is acknowledged. Because applicant did not distinctly and specifically point out the supposed errors in the restriction requirement, the election has been treated as an election without traverse (MPEP § 818.03(a)).

Applicant is required to cancel claims 7 and 9 in response to the Office Action.

Conclusion

This application is in condition for allowance except for the above formal matters.
